[LOS ANGELES] Occupy Denver's removal came under the crushing and swift force of the Denver Police Department early last night.

The occupiers were removed with "tear gas" from Lincoln Park and Civic Center Park (CCP) as described by an eyewitness on the live USTREAM.TV web site.

The Denver Post reported, "a cloud of smoke rose but not from tear gas but from woodsmoke as the protestors' cooking fire was extinguished."

OLA News however watched the live stream and heard an unidentified person say, "this is what a police state looks like. They already tear gassed us once...We are peaceful, peaceful, peaceful!"

Around the same time NBC's local Denver reporters opened their broadcast saying, "Denver Channel 9 here where we are following some breaking news live to Broadway and Colfax. This is Occupy Denver where dozen of police officers were just in line. That white smoke you see is presumably tear gas. We saw this with it in their [police] hands walking towards the crowd."

Below are #OccupyDenver's tweets regarding the DPD shut down.

"If anyone has video of the unprovoked attacks, of the protester run over by police, or of anything else, please send it to us!"

The march that left CCP after the raid was standing in another park, and suddenly SWAT stormed from the shadows firing away! OccupyDenver"

In more tweets OD said, "today was the largest showing of riot police ever, on a smaller group of protesters than be4. 200+ riot police..for 3 tents..

The march: peaceful. The rally: peaceful. Occupying: peaceful. Then we had our rights violated, our people hurt for NO reason.

Police sprayed fire extinguishers to clear us, moved in, stood, then w/o "lawful order" assaulted, threatened, and beat out.

Word has it that they'll not now, or ever, allow us to #occupy again. To that, we say, "See you tomorrow!" #OccupyDenver #OccupyWallStreet

We have been cleared out of all parks we tried to stay at. One group was kettled, shot, sprayed, with half of them arrested.

#OccupyDenver protesters were victims [of] police brutality, and were threatened that we'd have our teeth knocked!"

Meanwhile the live stream continued with people chanting, "this is what democracy looks like." Then it ended abruptly.
